Views expressed in this news bulletin are not necessarily those of the Broadcast Officer, the Relay Officers, or of the Society.

Reminder of holiday dates for ANARTS

The ANARTS broadcast will go into recess after 18th December and resume on 15th January 1995.

If you have any last minute news items to go out before Christmas, send them to the Broadcast Officer ANARTS P.O. Box 860 Crows Nest 2065 by last post on 16th December.

We will see you again on January 15th, refreshed and raring to go.

ARRL RTTY Roundup Contest 7th - 8th January 1995

Editor's note.
While this is regarded by the US as a domestic contest, it could be fun to see how many states one can work. In past years all states had at least one RTTYer on air, and if the skip is right and conditions hold -- why not try?

Contest period- starts at 1800 UTC Saturday and ends at 2400 UTC Sunday. Operate no more than 24 hours of this 30 hour period. Two rest periods (for a combined total of six hours) must be taken in two single blocks of time, clearly marked in the log.

Bands- 80, 40, 20, 15, and 10m (five bands).

Modes- Baudot (RTTY), ASCII, AMTOR, or Packet (attended operation only).

Operator classes- a) Single op, unassisted, all bands

1) less than 150 watts output
2) more than 150 watts output.

b) Multi op., single transmitter. Once station has begun operation on a given band, it must remain on that band for at least 10 (ten) minutes.

Exchange- U.S. stations- RST and state. Canadian- RST and province. All others- RST and serial number, starting with 001. Both stations must recieve and acknowledge complete exchange for QSO to count. Neither cross-band nor cross-mode QSOs are permitted. Packet QSOs through digipeaters or gateways are not permitted.

Remainder of rules next week

IPS WEEKLY REPORT
---
02 NOVEMBER - 08 DECEMBER

DATE OF ISSUE: 09 DECEMBER 1994

INDICES:

DATE	02	03	04	05	06	07	08
10CM	79	82	82	81	78	80	81
A	20	12	7	7	20	11	(12 ESTIMATED)
T	6	4	34	24	31	-20	25
